## Field Safety and Wildfire Mitigation Capability Summary

### OVERVIEW

Pride Resource Partners LLC (Pride) is an NGLCC- and CPUC-certified LGBT-owned diverse business enterprise (DBE) that offers expertise in **safety management** and **wildfire mitigation** for gas, water, and electric utility infrastructure.

We are committed to fostering a safety-first mentality, and we instill the importance of safety every day at every tailboard. We support a **strong safety culture** in every interaction with contractors and other stakeholders, engaging with client and contractor team members in the field to facilitate safe work practices, identify hazards, and advise mitigations.

Driven by our commitment to both environmental sustainability and safety, we also understand the issues related to working in **environmentally sensitive areas** and the importance of compliance with applicable orders, permits, regulations, mitigation, monitoring plans, and conservation plans.

Our management team brings extensive project and program management experience with a **proven track record** of successfully executing complex projects and programs. Pride uses the latest technology and industry knowledge to ensure our services meet or exceed our clients' expectations.

**Please contact us** to learn more about our team and how we can assist you in managing safety for your projects and programs.
