

PRIDE
Resource Partners

Statement of Qualifications

Capabilities Summary

OVERVIEW

Pride Resource Partners LLC (Pride) is a high-performance, professional **project management consulting firm** that is a CPUC-certified LGBT-owned diverse business enterprise. Our targeted consulting expertise moves clients from strategy to execution to results by providing organizations with **skilled professionals, teams of project leaders, and subject matter experts** who manage and implement business-critical initiatives. Our team exists to make your team shine.

We specialize in providing integrated, scalable approaches to augment project management capabilities for large and mid-sized companies in the **power and utilities sector**. We offer expertise in program and project management, facilities planning and management, and technical resourcing solutions.

Our **dedicated consultants** average over 10 years of management consulting and industry experience and take pride delivering **full-cycle, turnkey projects**. Through functional and strategic resource management, we can arrange additional expertise needed to meet or exceed expectations. Our skilled specialists have **years of experience** working in established companies and industries including public utilities (gas, water, energy, transportation), DoD, logistics, relocation, manufacturing, construction, engineering, and aerospace and aviation.

Please contact us to learn more about our team and how we can assist you in achieving your goals.
