

PRIDE
Resource Partners

Statement of Qualifications

Capabilities Summary — Gas Infrastructure

OVERVIEW

Pride Resource Partners LLC (Pride) is a high-performance, professional **project management consulting firm** that is a CPUC-certified LGBT-owned diverse business enterprise. Our targeted consulting expertise moves clients from strategy to execution to results by providing organizations with **skilled professionals, teams of project leaders, and subject matter experts** who manage and implement business-critical initiatives. Our team exists to make your team shine.

We specialize in providing integrated, scalable approaches to augment project management capabilities for large and mid-sized companies in the **regulated utilities sector**. We offer expertise in program and project management, construction management, inspection services, and technical resourcing.

Our **dedicated consultants** take pride delivering **full-cycle, turnkey projects**. Through functional and strategic resource management, we can arrange additional expertise needed to meet or exceed expectations. Our skilled specialists have **years of experience** working in established companies and industries including regulated utilities and transportation.

Pride has provided professional consulting services on gas pipeline projects for relocation of gas infrastructure, ensuring project execution and completion in accordance with client specifications and agency guidelines. We have provided construction management, project management, project controls, and inspection **services for critical gas infrastructure**.

Please contact us to learn more about our team and how we can assist you in achieving your goals.
