

Statement of Qualifications

Summary of Capabilities

OVERVIEW

Pride Resource Partners LLC (Pride) is a high-performance, professional project management consulting firm that offers **program management, project management, and construction management** professional services as well as staff augmentation services. Through functional and strategic resource management, we deliver additional expertise needed to deliver full-cycle, turnkey projects by providing an outsourced team of professionals--integrating seamlessly within our clients' organizations and aligning with their goals, objectives, and requirements. Our targeted professional consulting services provide **skilled professionals, teams of project leaders, and subject matter experts** who manage and implement our clients' business-critical initiatives, including programs and projects of varying size and complexity such as **major capital programs and projects**.

Pride can help support your next project or program with a full array of professional services and/or staff augmentation. **Please contact us** to learn more about our team and how we can assist you in achieving your goals.
